

## Brochures and Flyers

Whether you have existing brochures or would like new ones developed, **Marketing Mechanics** is your **“One Stop Design & Print Shop.”**

From developing concepts, art direction right through to final art and printing, we can produce the simplest and most **effective** flyer, right through to a comprehensive brochure.

Other types of advertising material we do include newsletters, corporate brochures, postcards, posters, trade presenters, booklets, leaflets + much more. We have the **experience** and innovation to ensure whatever we produce for you, will not only be unique, but highly **professional**.

We offer a **tailored service** to you – which means we will design your brochures and flyers from start to finish and provide you with different ideas, samples of artwork to choose from and develop all of the copy (text and words) for you. Need Pictures or photographs? – We can help!

It's one thing to make a brochure look fantastic, but we will ensure that your sales message and marketing objectives are met and that your products and services are **communicated** effectively to your target market.

Other types of designs we do include DL flyers, a4 flyers, booklets or any style or design you were thinking about.

And its not just about giving you **THE SERVICE YOU DESERVE**, its about quality & price. That's where we will certainly put a smile on your face!
